Southeastern LMSC Annual Meeting, June 1, 2019 Chattanooga, Tenn.

- Welcome from the Chair and introduction of officers
   Officers present: Allison Ware, chair; Chris Powers, Registrar; Alex Bruce,
   Secretary
- 2. Review of the minutes from the March 2018 meeting at Sewanee, Tenn. Motion to accept; so approved.

# 3. Reports from officers

- A. Chair: The Chair reported that the year had been reasonably steady, with minimal changes in process within the LMSC. She noted that meets and open water events in the LMSC have all seemed to run very well, with increasing attendance. She noted some frustration with the current banking arrangement with Renascent Bank and would encourage the next Board to explore options. She noted that the LMSC has continued to do well in supporting educational programs and in encouraging and supporting involvement at the national level.
- B. Vice-Chair (attached)
- C. Treasurer (attached)
- D. Registrar (attached) The Registrar noted that membership was down about 20%.
- E. Secretary (minutes from 2018 meeting attached)

## 4. Reports from standing committees

- A. Competition (Connor Bailey reporting; report attached) Bailey noted that Ensworth Aquatics is hosting a new LCM meet. He encouraged the LMSC to approach Huntsville area clubs about hosting events at the Huntsville aquatic center.
- B. Top 10/Records (Rick Schumacher reporting; report attached) Schumacher noted that Top 10 records are for 2018 only.
- C. Newsletter (no report)
- D. Website (no report)
- E. Fitness (no report)
- F. Coaches (no report)
- G. Open Water (Allison Ware reporting) Ware noted that the Splashville event did not happen in 2019 but will return in 2020. She said that the 2019 Rat Race was the biggest one yet, with about 150 competitors. The "Bridges to Bluffs" event in Sept. 2019 will be the national championship.
- H. Officials (no report)
- I. Distance / postal (no report)

# 5. Old business

The Chair noted that the LMSC still has not decided on a logo; the group consensus was that next year's Board could select one rather than having a voting process.

### 6. New business

- A. The Nominations Committee reported that voting for the 2019-2021 Board had commenced and would conclude June 9. The Committee noted the need to engage the Florida Panhandle members in the LMSC leadership.
- B. Discussion of challenges with maintaining membership. Discussion noted that triathletes do not have to register for USMS to compete in triathlons and some will train at a facility with USMS swimmers but not have to be USMS themselves. The group floated different ideas for making swim meets attractive to triathletes. The group also discussed the relationship between college club teams and USMS; the group agreed that the current structure does not do much to encourage college club swimmers to become regular USMS members. As this is a policy of the national organization, the national convention might be a place to address it. Still, members wondered if the LMSC might find some way to discount membership for swimmers who otherwise would swim for their college club.
- C. Adult learn to swim program (ALTS): The question arose about how the LMSC was encouraging ALTS programs. The Chair noted that current practice is to cover the costs for one person per club to have training as an ALTS instructor. The next Board could re-evaluate how best to support.

# 7. Announcements

The National Convention is scheduled for Sept. 11-15 in St. Louis. The Chair repeated that the LMSC will support those getting involved at the national level. We can send three voting delegates and may have at-large attendees.

# 8. Adjournment

### Vice-Chair Report for 2019 Annual Meeting

2019 has been a year of relatively routine LMSC business. Most of the work involved this year has been spent collaborating with fellow LMSC officers regarding policies affecting clubs and individual members in the LMSC.

Additional work has centered on working with several groups of adult swimmers about possible USMS affiliation whether it be joining existing clubs or forming new clubs. Most groups are primarily fitness swimmers but each group has some swimmers interested in competing at some level. USMS affiliation will help these swimmers have the opportunity to compete as a team instead of relying on swimming as an unaffiliated individual. For those that are swimming for general fitness, I've been promoting the fitness aspect of USMS especially with the Fitness Challenges that were introduced last year. Most USMS members do not compete so the typical fitness swimmer definitely has a place in USMS as well. I'm looking forward to seeing some of these groups come into the LMSC this coming year.

Some of the local groups I've worked with in East TN also have a strong desire to teach adults how to swim. As a Certified Adult Learn to Swim Instructor, I've been assisting in their efforts and look forward to using this as a way to grow our LMSC through ALTS programs and USMS membership.

It has been a pleasure to serve the SE LMSC this year. I am in the process of relocating to eastern North Carolina and look forward to getting involved with a local Masters group and the LMSC there to see how we can help USMS better meet the needs of our members nationwide.

Respectfully submitted,
Stuart Wylie
Vice Chair, SE LMSC

# Registrar's Report

2018 Annual Membership Report Prepared by the Registrar, Chris Powers Submitted 5/20/2019

We are experiencing another decline In membership. We are at a 20.56 percent loss in membership as of 5/20/2019. Though we tend to increase those numbers in August/September they may not be enough.

# Report of the Competition Committee for 2018 Southeastern LMSC Conner Bailey, Sanction Chair March 6, 2019

During calendar year 2018 there were a total of 15 competitions held within our LMSC. Of these there were:

- 9 SCY meets (6 sanctioned, 3 recognized)
- 1 LC meet
- 1 SCM meet
- 4 Open Water events

One sanctioned pool event was cancelled due to low registration numbers.

Geographically the competitions were distributed as follows:

Alabama: 3Florida: 4Tennessee: 8

As can be seen in the attached table, we have a gap from the middle of March to the early June with no competitions in our LMSC. There are two events during 2019 during that time period in Atlanta, but there would seem to be an opportunity for a team in our LMSC to step up during the Spring. Huntsville has built a new pool and might be a good option. I have heard talk of interest in Mobile. I do not understand the absence of activity in Memphis.

We have relatively few LC or SCM meets, another gap in our competitive offerings. Kudos to NAC for holding up that end of the spectrum.

We developed a strong reputation in OW events. Swim the Suck has a national reputation. In 2017 Chattanooga hosted the USMS National Ultramarathon championships. In 2019 Knoxville will host the USMS National Marathon Championships.

Respectfully submitted,

Conner Bailey Sanctions Chair, Southeastern LMSC

# Report of the Top Ten Recorder Rick Schumacher Prepared on March 6, 2019 Presented at the annual Southeastern LMSC meeting

As Top Ten Recorder, my responsibilities are two-fold:

- 1. Process results from sanctioned and recognized pool meet held in our LMSC. This involves the following tasks:
  - a. Receive Meet Manager software output file from meet director, upload results to the USMS database, review and correct the individual swimmer and relay audit exceptions, and – when necessary – work with the meet director to resolve various issues (eg, specific questions about swim times, registration or name irregularities, etc.
  - b. Work with Meet Director to ensure pool measurements are valid. This consists of looking up the pool to see if a pool measurement form is necessary and, if so, ensuring that the Meet Director properly completes and submits the pool measurement form to me. For a new facility, I will forward the pool measurement form to USMS for review, approval, and addition to their central certified pool course database.
  - c. Work with Meet Director to determine whether there were any one-event registrations, and if so, communicate accordingly with LSMC Registrar.
  - d. Communicate with other LMSC officers when meet results are processed and complete, so that subvention (when applicable) can be paid.
  - e. The objective is to upload and complete the 4 steps above within 2 weeks of a given meet. I have found that for sanctioned meets, this is very straightforward, and each meet typically takes 1-2 hours to review and process. For recognized meets particularly large "Senior Games" events this can be more involved, because the underlying participant data hasn't been validated beforehand (ie, swimmer names, USMS valid id's, birth dates, etc.). This causes many exceptions to be kicked out in the USMS database, which then have to be individually researched. I have recently begun communicating with meet directors of recognized meets \*before\* the event to guide them on areas to be particularly careful of, which appears to have improved the quality of data that comes to me.
- 2. Prepare Top Ten reports (both individual and relay) for each season: SCY (Short Course Yards), LCM (Long Course Meters), and SCM (Short Course Meters) and ensure they are submitted before the deadline of each season (SCY June 30; LCM Oct. 20; SCM Jan. 26).

The Top Ten Recorder has no role in open water events. The position itself requires modest computer skills and an eye for detail, along with being responsive to ensure deadlines are met.

I held the Top Ten Recorder role for the duration of 2018.

During the 2018 calendar year, we had 11 sanctioned or recognized meets. All results were processed promptly. All Top Ten reports were submitted on time.

### 2018 Pool Meets

- 1. Auburn SCY Invitational, 2/9-10/2018. Results uploaded 2/16/18.
- Destin / Emerald Coast Senior Games, 2/17/18. Results uploaded 3/21/18.
- 3. 4th Annual Sewanee SCY Invitational, 3/10/18. Results uploaded 3/16/18.
- 4. Alabama State Senior Games, 6/9/2018. Results uploaded 6/19/2018.
- NAC Masters Summer Solstice Meet, 6/16/2018. Results uploaded 6/21/2018.
- 6. Panama City Swim Team Masters Summer Splash Meet, 6/23/2018. Results uploaded 6/25/2018.
- 7. Tennessee Senior Olympics State Finals. 6/26-27/2018. Results uploaded 7/5/2018.
- 8. 2018 Muffins & Mimosas Masters Swim Meet, 8/18/2018. Results uploaded 8/22/2018.
- 9. ESMS Oktobersplash Invitational, 10/13/2018. Results uploaded 10/18/2018.
- 10. 2018 Dotty Whitcomb Memorial Turkey Dip Swim Meet, 11/10/2018. Results uploaded 12/6/2018.
- 11. 8<sup>th</sup> Annual NAC Masters Sprinting Turkey Classic, 11/17/2018. Results uploaded 11/19/2018.

Southeastern LMSC Top Ten results from 2018 SCM (currently in draft form, not officially approved by USMS), LCM, and SCY seasons follow. The Southeastern LMSC had 31 SCM (short course meters), 44 LCM (long course meters) and 96 SCY (short course yards) Top Ten swims. The number of SCY Top Ten swims is the most by the Southeastern LMSC since 2004.
